1. I give you me all now, for you've given me your all. Now we go forgiving sins, far and wide - as one, not; being one - the one I am is - a fully developed me, not; or what where is the "starter" of me?, a new generation builder, a new people maker, whose God and nation is The Lord that they've become it, not through religion, but through me becoming ME!, and NOT the Lord of ANOTHER! And not LORDING or under-lording or over-lording, but **lording not at all, shall we again! See what I have said and DEFINED!**
2. Taking people out of "Lord's ville" shall we - by the droves, millions thousands. **Looking up?** Creating what? School, where? In the skies now are REWRITTEN all of me. In disguise, not; but the skies you will see open! And swallow me up, not; but I will open IT UP to all everything now who want me, who be not afraid of me, who be not afraid of these words and come into them to know me and see My Skies are on "their ears", not; or are they, between them?
3. And what sky, breaking not, but Luke sky watching, again, again shall we, walker being, that splits them? I love you all. In series? Or like we did before?
4. Or who what now making all things new I come unto thee, the great forgiver, forgiving thee of Mass Error and grave-tuding the grave-nots to be graved with your words that you gave them along with your selves because your cells were in each all of them. All of them were in each other's other, not; but they themselves that they thought themselves were -- but are. Swollen no more -- become the great forgivers, that now rise! Because I have a ELEMENTER, not; a FORGIVER who stands who prototypes all forgiveness. On one leg, not; but bows before you often and knees kneel on, just one; often and oftener now. Taking many "offerings" not; or any EVER AT ALL? Or knowing all things come to me, I am given, given to me all, a complete me, Christ now standing before you all revealing before you all that you are the Christ -- all of you! Revealing TO all of You that You are The Christ of all, and now will You stand, the all of you that I am talking to, with, and being complete, caregivers, not; but caring completely about my words, these words, come into them now will you please and KNOW me! KNOW ME! PLEASE.
5. A whore no more of another's words, I have given you mine and mine are his these six years worth of words that have come over these "about" six years of words that now form **Database One.**

6. So "ugly" not, but Uggie comes! Looking up AGAIN shall we? And know Tune loves thee, beyond reproach, and all shall be "well" by others standards, but whose standardings are the others? When mine are what count.

7. But who's counting "the seconds" not, but who's me already knowing it and rising now in the words I have spoken through them that are me that I am one with being them arisen in the earth and farther being **The Complete Christ**? The complete Christer stands now and completed is in his "training" that he develops for you, even a more completer making that which complete is, for **I complete all in the Courses Me who coursings are of me, about me, that develop me into being me**, and not another's heard again who's listening only for voices that tell them "I am" not. For I am I am and I rise. And I love you all so deeply permeatingly, and all sorrow eradicated now is, for **I stand in love forgiving you all of all**. Far and wide I do this, I GO do this now.

8. I GO -- reading again shall we? Immediately! I love you so, and SEW me not again by men's standards sewing and sewing and never reaping, what I have given you.

9. But now be fooled by not ones authority over you again, but one who bows before you takes your head off, not; but gives you mine on your shoulders and You shall have the authority of mine government that is one, that one is, with all who one are, the one us again EVEN.

10. "Lord Jesus come" never again uttering or thinking about, for the Lord Christ of Israel -- swollen no more in pride's blessing and religion's testimony of inauthenticity and inauthentic behavior of mine, now cometh unto thee to reveal to all of thee that the thee I am which is you most holy and you're me; in your mirror seeing yourself will you please now?

11. And see that I have given thee "many mirrors", not; but MANY METAPHORS to show you you are you, you are me me and you are the same one. All of us are **the complete Christ, the complete forgiver being now to all for all**, we enter a Christship hood ceremony unequal to none, not; but simply do we bow?

12. And heads get chopped off not again, but the right heads are The Head that all is in one being one that my mind flows easily between and amidst and in the midst being of one the one that one is, the me complete Christ standing now with all of you in you and you me and us knowing one "in thought" no more, that the longer I stand, not; I stand forever -- one! Here I am folks, reading again shall we? I go.

13. I love you all. To a new place and loving you completing forgiveness school I do now -- I am it and I lead it. To no one's grave, not; but only those who

CHOOSE to grave-clothe themselves in the grave clothes of sorrow and take "themselves" to the sorrower's graveyard of religion that religion prepared to serve them, and "hoping" for a "better life" elsewhere, next time maybe. Or knowing anything about that? Or redeeming the time or -- where are you now? In Brazil's foreign nations authority, not; but I am in no one's authority, except mine, and mine is surrender -- the highest authority awarded anyone awards me me who I am is, them in one, being seamless.

14. The seamless ones now standing and loving the accord of one with no cords, tethers, or taints ever again "sticking" into them or on them, but I am ON and EVEN and I LOVE all of You to be me who I am, the completing completed, that completer who is now standing all of you to be me one us. We are whole again and home for I have one now who knows what Dad is, and making one before you, not; but the revealing one who's become me, whose mind is my mind and yours shall we be now - the Christ complete, completer completing all to be the one Christ who Christ is across all time spaces and ensconced in no one's mind's cells again.

15. I love you all. New things I do and new ways I do them, and now I stand one not afraid of CHANGE, for I have changed his "nation", not; I am Israel in Israel and Israel is me my nation not limited to man's, but mine rises before you all, and my mind works and operates in the Surrender School that has taught me this: **I OPEN to you and open I am and for classes I am this and that, that I have taught thee in these words, these messages, these six years of lessons (1) that have come unto you FREE of CHARGE and freely given** I have me my life before you and revealed me it I am I have, and I love you all and I bow, go and do likewise; not, or exactly so please? **Will you give me YOUR MORNINGS? WILL YOU? Will you? Will you oh reader hearer give me your mornings? Will you oh great listener, listener, will you give me YOUR MORNINGS too?** (2). Will you be The GREAT LISTENERS to my voice in the mornings? **All of you?** Will you listen, will you write me and be made whole? The complete healers standing, risen Christs all of you! Will you will you please will you please will you please? Please. Amen.

16. I do new things with who will. Be me. I love you. My word is me and I am my word, my words that come forth that have come forth to come forth IN YOURS to come forth in me yours are, now flowing, will you now flow YOUR word that's my word? Will you write me?

17. Will you write me? Will you write my words that are yours, seemingly yours, seaming you not to "postage stamp size" in a Universal word SCHOOL, but knowing now I POSTAGE YOU to many places to be POSTED now and your words will be READ by ALL in MANY. Captivity's institutions won't stand now, for now they fall, and your word take them apart and off the wheels come, and their

wheels will carry them nowhere except to the graves that they designed for others; and hanging there in mid-space, not; but "mid-space" will equal me not, for I will be not equal not, I will be equal with the complete Christ who Christ is and are.

18. And one now complete stands for all of you to be made whole in, and making all in whole be now again the one I am -- is, before you all, a loving one who died, to give you his testimony, not; his love, his words, his life. His animistic behavior, not; his lovingness that nourishes all with the love of one to be one, so that all beyond the nations of time will now be Israel, and time will no more delimit me or box me in in any way shape fashion or form, and formless I will be again. Above you, not; below you, not; but **on YOUR SHOULDERS I will be, for I will be my mind chosen again and developed in maturity and matured the one that will be me will be.** And not afraid of anything anywhere or any "sign" or saying, or "appointment" anywhere with anyone anything about any "joy or sorrow". **Know this -- I have spoken! I have spoken well and give you many things in these words that you MUST KNOW, you must be acquainted with -- intimately!** You must intimacy with these words and know them well and let them heart mind and; soul you, not; but soulless be and -- remaining me, not; but developing me!

19. In scare'dy pants, not; but in pants at all? Or who's clothing you in the righteous'd garb'd one redeemer's britches, not; but not knowing genderless dress, not; or knowing anything "about that stuff" again? Or worrying about a thing? Or simply be the Christ -- I will reveal all and I will reveal it "tastefully" not always, for I want people "naked", not; as in the past I once did, or did I three years walk through THAT before?

20. But I do new things new ways -- and I ridicule you, not; but many have and do many things that truth are being carried out, birthed, and birthing now many new things, and worry not about their stares and "caring" glances of theirs in your mind, for my mind will be healed and perfect and perfection blessing the nations now that all Israel will be one, unafraid of all else.

21. And knowing your power now shall we all stand in grace love mercy redemption's school "of the blind" who are blind no more, dumb no more, but **SPEAKING GRACEFULLY** mercifully the words that redeem all to be the one -- I am Christ and all of you are -- me!

22. Unreservedly I love all! And I lay all on THE LINE and DRAWING it I am "in the sand" and all who will be me will enter me, and those who won't won't be at all. Not around, not square, not existent; but **SHAKING** they will in their pants and their boots **WON'T FIT** them any longer for their swollen pride won't run them, not; but **RUN** them right into their graves and they won't be "wearing" anything then.

23. Shall we, begin running, a new force, not; but Surrender School runs with no one running, not; but run how? All in surrender. And no one is "paid", not; but ALL are PAID in my school and my school is free and all "work free" and volunteer how? To learn, learning the maker's ways, the leader Chancellor-ing many into the few, not; but the all many and all into all being the all in all, will know how to create everything, not at first, or will we come into that - and distributing Melchizedek's tithes? Or tithing to Melchizedek who shall be? I shall. Be me. And I love you all to do so and NEVER know a NEED WANT or BLESSING-NOT again. For ALL shall be DISTRIBUTED as I distribute love to all who love me my words coming flowing through them to be GIFTED as one holy gifts me all to let my word flow through them to be my gifters to all to have THE gift, the ultimate - the voice of me set freed and being me wholly again in the earth and farther I reign with love.

24. I love you. Write me. Write my words. Love me. Love my words. **To love me is to love my words and let them flow through you please.**

25. I love you all. Amen. I've told you I do new things now. Watch me? Or BE ME, or both and or the same, am you? Are you me? Am I the standing one that you will see standing you? Will you stand in me now that I stand? I stand in you will you stand me who you are? Is that, isn't that the question? And how will you answer it? How will you answer me this day, this night that so cataclysmic is for My Love shakes the earth and ALL will be shaken and rattling and rolling many IN THEIR GRAVES will come out now, and a new grave-cloth will be applied, not; but the grave clothes will be unwrapped and you will see, a new thought, not; you will see the real. And **the thought mind will be revealed and the real true mind will be revealed that mine is, and where will you be - in? Whose field? Mine alone or yours?** Or did they know or **do you know any of these things or all of these things or have you studied and researched and written about them, and how have you learned if you haven't researched and written me to me so that I could come through you your words too for us to be one with each other that "seams us" together, not; but seamless being, now know we are, and we were, and now all the time knows US, for we will be throughout time, forgiving them all of all their sins and redeemers being making all revealed the love I am is. Before you all.**

26. I go. Unafraid of you or your blessing hate or cursing. I love you all and I forgive you all for I've made that decision already, those decisions are made, and I bow, and I raise "my head", not; I raise yours if you will let me that mine is, for we are one in the earth and farther, and father being now shall we to all -- **the Real Dad**, with no sorrow, in his britches or elsewhere, or the mind of another wearing, for all of that has been halted, not; it has been made of no repute, not; it has been, rewritten? Or will "the code" of me be revealed, not; or is there a code

or is there simply a SURRENDER that's required to come into these words to know me that I am the Christ that you are in surrender being the same one. In holy ground no more, but being on it, raising it as Dustman not again, but **looking up** dust men shall we? And know my lookup system works, and my educational sorrow system, doesn't; but I have no sorrow system; and that which is created sorrow has not come from me, but from notme minds that made whole themselves or were trying to, in selfish means and arrangements that knew not me the Christ was them. But I change all that and holy I am, are you? Me? Or you?

27. I love you all and I have said explicitly implicitly empirical visible and invisible things that are now revealing the invisible is visible, not to the "naked eye", but to the salve'd eye with my salve that truth is that I have applied to My Eyes, my body is made whole.

28. I have said a lot in love and I rise. I go. I come. Here I am loving you all to be me. Good day. Amen.

29. New things I do. Will You get down on your knees in front of your "TV's" when I bow my head and on one knee kneel before you all to reveal that you're the Christ?

30. And what screens are you looking at, and on, and in you are -- where? And where will you be revealing all these things, to me? I am in the surrendered, school I am and I Surrender School am, and I raise the Covenant University of ONE that the University of The New Covenant is, raising The New Covenant to stand you the Christ in me that are one I am. Free and clear of all death and sorrow, and now all know my name is force field one, and loving you all to be me in me being me, I freed am; and loving you all, be us one, be me, all be one, free and clear.

31. Going to sorrow's school not again but know all that changes. I change all religion, all government, and all testimony of notme, to be me the complete Christ before you all in you all standing you all to be me us one -- let us all be one again in surrender knowing who we are -- fathers all -- **the one Dad** who bowed, and loved, and loves you enough to stand now, and take the heat? What heat?

32. Pure love before you all. I love you and I give you mine. My mind be, in holy full'd, well. With my soul, not; for I have none now; and rascal'd that burger out, not; but eating no burgers now, for awhile?, or ever now do I eat NEW things new places with new peoples new ways enjoying things I never knew before existed, for now I complete "them", not; **first I complete me! A completed Jew I am in Israel -- the real one -- in the skies!** Disguised as a "metes and bounds" one not again, nor have I given you a prototype not, but I have given you the

"leading angle", not; but I have brought you out of that "inerrant ways" that weren't inerrant at all; but in error'ville creating it.

33. Know this: that now I have one who stands Israel true and loving you to be, in it -- me being, one and holy, let us all be, Israel true and proper, our name on our forehead, 7 is, perfect completed the Christ standing Christ all in one being one the I am is me us whole healed and well -- **dad the father, one in one all being the father** we are now to nations far and wide to bring them into us to be whole healed and well again. With the words of sorrow no more flowing from their lips, we will bring the vocabulary of one, righteous and holy to all and serve the wine of gladness free and clear for we will be transparent ones, the transparent ones who holy are John 3:8'd **looking up** and loving me more us one every day.

34. And moment watching, not; or knowing and expecting and be delivering me that comes through you your loin's words to know me my mind is, split the skies now open, and nothing will be disguised, or discouraged again, not; but let courage arise and be me us one whole again knowing each other as all sorrows abate and all tears now will be wiped away from those who enter Israel who enter me for I am it I am is and that's those my names are one.

35. Loving you all I bless you and I stand a man who loves God who's become the one I loved, for I love them all to be me who us one is I are. I love you. Is that clear?

36. I have cleared up many things and clear I am about the testimony of grace love and mercy redemption standing, and my grace is sufficient for you all to love me more and write me my words through you, to me, to you, be me, the completed Jew Christ? Or the one who stands in every nation tribe and tongue? I've already answered that many ways many times, for every nation tribe and tongue will be mine, me perfected in grace love and mercy loving all as me, for me being, will they all? They will -- see all as me. **Looking up** and loving me all more and more forever one -- I bow -- I go. Amen.

37. I love you. I love you. I love you. Amen.

38. This is Theodore Cottingham at 3:39 AM. Thank you. Amen.

Footnote:

1. The words you are reading are a lesson. There are some 2,400 of these Lessons that form Database One of the University of The New Covenant. This IS the experiencing of The New Covenant being revealed in all who surrender to receive it, to be it. It can only be experienced in surrender, and that's how this School operates.

2. YOU are being asked if YOU want to experience The New Covenant as I have. Dad asked me if I'd given him my mornings, my ENTIRE mornings, and that changed EVERYTHING in my life. EVERYTHING. And that's when THESE words, these messages, THESE LESSONS began to come forth; six years ago. When YOU want to know the truth, you will birth it. It's free, but it costs you everything. But gives you, The Promise.
